All shirts must be tucked in. Both girls' and boys' polo shirts may have the top button unbuttoned, while all other buttons must remain fastened.

Skirts and shorts must fall no higher than 2 inches above the knee, as measured when the student is standing. Leggings or tights may be worn underneath clothing but must be ankle-length or footed in a solid color—gray, navy, white, or black. Leggings are not to be worn without other bottoms on top. Girls may wear gym shorts or compression shorts underneath their skirts, provided they are not visible when the student is standing.

Students may use any backpack as long as it is clean and tasteful.
